Background

Afghanistan is a divided country, and two childhood friends are about to be torn apart. It's a beautiful afternoon in Kabul and the skies are full of the excitement and joy of a kite flying tournament. But neither of the boys can foresee the incident which will change their lives forever.

Based on Khaled Hosseini's beloved, international best-selling novel, *The Kite Runner* is a powerful stage production of a haunting tale of friendship spanning cultures & continents. Adapted by Matthew Spangler, it follows one man's journey to confront his past and find redemption.

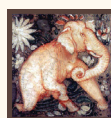

After a successful run on Broadway and the West End in London, *The Kite Runner* returns home for a limited run to the Hammer and to the stage where it first began.

It's a proud homecoming, as the Hammer and EnActe bring *The Kite Runner* back to San Jose.

Please Join the Celebration!
